

The Origin:

CA.M.S.N.Mohan, CA.M.Radha and CA.M.S.S.Prakash the 3 Chartered Accountants are the founders of Master Minds. When they were in C.A.Foundation they recognised the need for a good coaching institute for CA where all the subjects can be taught under one roof. All of them qualified C.A.Foundation in the first attempt and started teaching all the subjects of C.A.Foundation. Thus, they entered into teaching profession at such an early age. As the strength of students started increasing, they started a coaching centre at sambasivapet with just 30 students. After 3 years (in 2002) all of them qualified CA Final and established **Master Minds**. In the beginning, they conducted the classes in a small campus located at 3/9 Brodipet with the strength of just 105 students and immediately the strength turned about 600 because of their relentless efforts. In this way, the college campus was shifted to their own multi storied building which has been constructed in fully equipped manner in the heart of the city surrounded by pleasant atmosphere.

By finding the need of establishing junior college, exclusively for CA oriented branches like MEC & CEC, they have established junior college too with eminent faculty of Guntur and proved themselves what they are, by securing **State 1st rank** in the 1st batch itself. Till now, 16 batches of Chartered Accountancy have been completed and the institute has been going forward with the same spirit. In order to diversify the area of operations, recently they have started B.com, B.sc (stat, comp) to impart a very qualitative and creamy coaching. Now the **strength of college is 6,000 plus** (approximately).

Recently **Mr.M.Siva Prasad** (father of the founders) a person having a very rich experience of **23 years** in the field of accounting and taxation was made the chairman Master Minds Educational Institutions, for better and qualitative administration.

Note: To know more about CA & ICWA click courses offered in Home page.

Campuses:

Started as a small institution. Now spreaded into 21 campuses. (Click photo gallery in home page to see them)

Human Resources:

We believe that the success of our organization depends on human resources. As such we employed good number of teaching and non teaching staff. Our teaching staff consists of a team of 8 CA's/CWA's + 1 CS + 141 highly experienced faculty holding Post graduation and PHD's in relevant subjects.

Motivation and Personality Development Classes:

'Motivation Classes' will be conducted by in and out faculty. Our director sir, Mr.M.S.N.Mohan is very famous in this regard and he has motivated more than 1,00,000 students. On the other hand most eminent personalities like "Mr.Yandamoori Veerandranath", "Mr.B.V.Pattabi Ram" and "Mr.Jaya simha" will share their views and experiences.
